

## **OPERATING RULES HOP ARENA**

Jumping on a trampoline is a sport activity associated with the risk of injury. Because of this risk we set the basic rules and restrictions which must be observed to reduce the probability of injury.

We ask you to get acquainted with these rules and restriction and obey them. At the same time we hereby warn you that every visitor enters into and stays in the sports areal at his own risk. We hereby ask every visitor to consider his or her current state of health and physical condition before jumping, and always take into account other participants during jumping.

We hope that jumping in our HOP Arena will make all participants happy and will fill them with positive energy. If you have any idea how to make these rules and restrictions better, please do not hesitate to contact the HOP Arena staff.
